

CHAPTER 1

The Seven Year Prayer

Psalms 26:6-7

I wash my hands in innocence,
and go about your altar, O Lord,
proclaiming aloud your praise and telling of all your
wonderful deeds.

Several Years ago I received a gift. This gift was not the kind that you physically receive and unwrap. It was the kind that you spiritually receive after you have searched for it. You won't find the answer to this transforming message immediately in this chapter. However, it is available to you within these pages if you are willing to look for it.

My story is about a prayer that I prayed, for seven years, in search of answers to serious questions about our destiny. I have earnestly studied what makes people happy in my position as an executive recruiter over a fifteen year period. I received a spiritual message about what I was learning during that time. I bring you the depth of that message today.

I had not been expecting anything on the day my prayer was answered. It struck me how the answer to my prayer was so complete and was surprisingly simple. What took me seven years in prayer took God less than a few minutes to answer.

The Holy Spirit directed me to pass the knowledge of this experience along to others. "The Resident Voice" is the life changing account of how you can apply these truths to your own life. The request I make to you is this. **When you discover the secrets of the message, pass it on to another person that would benefit from what you are about to learn.**

The Spirit filled message will bring answers to the questions you may be asking. I will prompt you to ask even tougher life questions than what you are currently thinking about. I will bring scripture from which the source of all truth, knowledge and wisdom can be opened for you.

You have come to the right place if you are at the point in your life where something is holding you back from a breakthrough. You are also at the right place if you feel that one of these following cancers has crept into your life; anxiety, pain, co-dependency, anger, greed, loneliness, deceit, self-pity, timidity, envy or substance abuse.

Galatians 5:22-23

**But the fruit of the Spirit is love, joy, peace, patience, kindness,
goodness, faithfulness, gentleness and self control.
Against such things there is no law.**

I present to you a plan to gain access to a life of peace. You will need to access the door of entry to make this a reality. It holds unlimited breakthrough possibilities for your life if you choose to seek its entrance. Although this entry portal is small and hard to find for many, it will bring you an overwhelming sense of peace and confidence to move forward in your life.

My prayer for you is simple... gain peace as you determine your destiny. You will know what your source is when you walk away from this book. The source of that destiny is where you may never have thought it would be. Hopefully you are prepared and ready for the discovery of "The Resident Voice".
